HILL MAKES TALK

Mary May Harrison Is
Named Sponsor and To
Be Introduced; Citizens
Asked to Go

Next Tuesday, Oct. 13, will be
Canyon day at the Fort Worth
Centennial celebration.

A number of Canyon citizens
will attend the celebration on that
day and will have charge of the
West Texas Chamber of Commerce
exhibit. A special Canyon booth
will be arranged, in addition to the
one which has been there all
summer.

Dr. J. A. Hill spoke yesterday
over WBAP as a part of the
Canyon Day feature for the Centen-
nial. This was originally scheduled
for Canyon Day, but a change was
made necessary by the broadcasting
station.

Dr. Hill will return to Ft. Worth
on Canyon Day, taking with him
Mrs. Tommie Montfort and Miss
Annie Ruth Eastus who will dis-
tribute literature regarding Canyon
from the West Texas Chamber of
Commerce building. Mrs. Mont-
fort represents W. T., while Miss
Eastus represents the high school.

Miss Mary May Harrison has
been selected as sponsor for Canyon
Day. She will be introduced
from the stage of Casa Manana by
Paul Whiteman during the even-
ing's performance.

A special edition of The Can-
yon Courier, "Printed once each
100 Years" will be ready for dis-
tribution among those seeking in-
formation regarding Canyon and
Randall county.

Several citizens have agreed to
go on the trip to Fort Worth Tues-
day and those interested in making
the trip are requested to get in
touch with W. A. Warren, Irby
Carruth, Dr. H. A. Brown or C.
L. Thompson.

Postal Receipts Increased Over Quarter for '35

Postal receipts in Canyon con-
tinue to show an increase each
month over 1935, which was the
best year for the local office.

Receipts for the past quarter
amounted to \$4,129.54, as compared
with \$4,020.67 for the fall quarter
of last year.

Mr. and Mrs. Bryan Cammack of
Clovis visited Sunday in the home
of Mrs. Annie V. McCarty.

Buffalo Band Is Given Praise By Former Longhorns

Overheard at Buffalo Stadium
Friday night:

"That bass horn player is one
of the best."

"The band has a fine appear-
ance, but let's see whether they
can make that square turn."

"By golly, they made it, and
in style at that."

"That drum major is the
keenest I have ever seen. He
could win in the University or
any of the big colleges."

These are siftings of a con-
versation between two men who
formerly played in the Universi-
ty of Texas Longhorn Band.

They not only played at Austin
but accompanied the Longhorn
football team on many trips
where they saw the big bands
of the nation in action.

Hats off to C. E. Strain and
his wonder aggregation of boys
and girls who make up the
Buffalo Band.

Buffaloes Face Heavy Team at U. of New Mex.

Buffaloes Recover and are Prepared For a Hard Battle at Albuquerque Saturday

New Mexico University next!

With three straight victories to
their credit, the Buffaloes settled
down this week to hard drill get-
ting ready for the next important
battle of the season at Albuquer-
que Saturday afternoon.

The Buffs came through the
hard battle on Friday night in
fair shape. L. O. Speer was the
only badly injured man. A badly
wrenched arm which will likely
keep him out of the Buffalo line
up for several weeks.

All of the sick men of last week
are back in shape. Toby Waggoner
played only part of the game Fri-
day night after having spent most
of last week in the college in-
firmery, but is fully recovered and
ready to go all the way Saturday
in his usual hard fighting manner.

Captain Jackson received a badly
twisted knee Friday night, but
seems to have fully recovered and
is working daily with the team.

Little is known of the New Mex-
ico Lobos. They lost their first
game and won the second, both
played on a muddy field. In both
games the Lobos showed greater
strength than their opponents, but
the defeat came as the result of
a costly fumble.

Coach Gwin Henry is reported to
have a fast passing combination
which has been thwarted by the
weather. He is hoping for open
weather next Saturday in order

Gunstream State Deputy in School Work Arrives Here

J. W. Gunstream has moved to
Canyon to become the new deputy
school superintendent serving under
L. A. Woods, state superintendent.
Mr. Gunstream succeeds J. D.
Wilson, who was transferred to
Childress.

The new deputy was formerly
superintendent of the Carrollton
schools, and has had wide experi-
ence in the public schools of the
state. He is a graduate of S. M. U.

Mr. Gunstream will have charge
of 21 counties in the Panhandle
in which there are 50,000 pupils
enrolled.

Advertising Plan For Palo Duro to Be Put In Force

W. T. Taylor of Dallas
Takes Charge of Con-
cessions at Palo Duro
State Park

W. T. Taylor of Dallas arrived
Friday to take charge of conces-
sions at the Palo Duro State Park.
He is manager for the Palo Duro
State Park Corporation, which has
signed a five year contract with
the Texas State Parks Board to
have charge of all concessions in
the park.

Mr. Taylor has been city passen-
ger agent for the Bowen Motor
Coaches in Dallas, and has held
several prominent positions with
this company in past years.

"We are here to co-operate with
the people of Canyon to popularize
the Palo Duro, and to make it an
attractive place so that more peo-
ple will come," stated Mr. Taylor.
He has set out on a program of
publicity for the Park, and is
taking steps to improve the facili-
ties which are available to the
public when they visit the Park.

Placing signs to direct the atten-
tion of the visitors to the most in-
teresting places in the Park is one
of the first things being under-
taken by Mr. Taylor. He hopes to

Last Order Passed Regarding Construc- tion of Underpass

The City Commission passed the
last order Monday night in regard
to the construction of the under-
pass just east of the Santa Fe de-
pot. This order was in reference
to the city's part in the construc-
tion and maintenance of the under-
pass.

E. H. Gohmert, highway engi-
neer, has been transferred to Can-
yon to be ready to take charge
of the work for the State Highway
Department after the contract is
let on Oct. 20.

The Santa Fe, Highway Commis-
sion and City of Canyon entered
into the agreement for the con-
struction of this project.

Proclamation Fire Prevention Week

Canyon has enjoyed an enviable record during the past few
years because the small number of fires. This record has brought
about a reduction in the insurance rates for property owners,
representing a saving of hundreds of dollars annually. In order
to preserve this fine showing, it is the duty of each and every
citizen to exert every effort possible in our homes and in our busi-
ness houses to prevent fires by eliminating all hazards which
common sense teaches us are dangerous.

Therefore, I, C. R. Burrow, Mayor of the City of Canyon, do
hereby declare and proclaim October 4th to 10th, 1936, as Fire
Prevention Week in Canyon, and I call upon and earnestly urge
all of our citizens to make a complete survey of their buildings
and premises of any and all conditions of hazards from which
fires might originate.

With the intelligent and co-operative interest of all citizens in
our town, Canyon should be completely inspected, all hazards
eliminated, and the good fire record of the past continued.

In testimony whereof, I hereunto sign my name and issue this
proclamation on this 3rd day of October, A. D., 1936.

C. R. BURROW, Mayor.

Attest: Harvey Cash, Secretary.

GOOD DEPARTMENT

Careful Inspection Of All
Homes and Business
Houses Is Sought Be-
fore Winter Comes

Fire Prevention Week is being
observed in Canyon.

The State Insurance Department
at Austin has called upon all citi-
zens to use every precaution against
winter fires by having an inspection
of their premises made during this
week, and eliminating all possible
hazards.

Blanks have been distributed by
the Canyon Fire Department in
the schools and children are asked
to make a survey of their homes
this week. Both the child and the
parents will sign the report before
it is returned to the school. Local
firemen will inspect these reports,
and will give all possible assistance
in making a reduction in the fire
hazards of Canyon. Lee Foster is
local Fire Marshal and is directing
the inspection questionnaire.

City Co-operates

The City Commission is co-op-
erating in the Fire Prevention
Week movement. Mayor C. R.
Burrow is calling upon the people
to do everything possible to clean
up the town, and remove the haz-
ards which might cause costly fires
during the winter months.

The city is having weeds cut
with the mowing machine, but not
all of the town can possibly be
covered in this manner.

Citizens are urged to get the
weeds cut and burned as soon as

District Governor of Rotary Visited Canyon Club Tues.

Fred Wimple, District Governor,
made an official visit to the Can-
yon Rotary Club Tuesday night.
His home is Midland, where he has
rendered distinctive service for
Rotary during the past years.

The local club was highly com-
plimented for the effective pro-
gram which had been put over in
the past. The Governor made val-
uable suggestions regarding the
future plans of Rotary.

"During these trying times Rotary
is one organization which has
its feet on the ground, and has
planted its stakes on high and
firm ground," stated the Governor.
"With revolutions going on all over
the world, Rotary is doing its part
to stabilize civilization. Rotary is
and should be the bulwark of the
churches against the destructive
forces in the world today," con-
tinued the speaker.

Visitors present were Walt Ar-
nold of Kirksville, Mo.; J. Francis
Brown and Jim Oaks of Amarillo;
H. H. Kaderli of Midland; Rev.
and Mrs. Earl S. Craig and W. T.
Taylor of Canyon.

Record Acreage of Wheat Being Sowed

Rain Adds More Moisture —Most Favorable Con- ditions Exist to Start Crop

Wheat planting is in full blast
in Randall county.

With the exception of a slight
delay caused by the rain of Tues-
day, farmers have been excep-
tionally busy this week getting the
seed wheat into the ground.

A quarter inch rain fell Tuesday,
but was very acceptable as top
moisture was needed in most sec-
tions of the country. The rain
will delay planting only for a
few days.

Planting conditions have been
ideal following the good rains of
September. The seed wheat will
come up in a few days with the
ideal weather that has prevailed.

Fear was expressed Tuesday
when the temperature dropped
with the rain that a freeze might
follow and damage the feed crop.
However, serious frost and freezes
have so far held off.

Large Wheat Acreage
Indications are that the wheat
crop in Randall county will be the
largest in several years.

Bids Postoffice Will Be Opened Friday Morning

Several Bidders Have Sought Information on Building For Second Letting

Bids will be opened in Washing-
ton tomorrow for the construction
of a postoffice building in Can-
yon.

This is the second time that
bids have been called for on this
building. The first call for bids
on Aug. 21 brought only one bid.
This was filed by J. J. Fritch of
Dallas for \$57,300.

The department rejected this bid
owing to the fact that the law pro-
hibits letting a contract on only
one bid, and for the other reason
that the bid exceeded the amount
appropriated for the building.

Mr. Fritch has written W. A.
Warren, president of the Chamber
of Commerce, that he understands
two other Dallas contractors will
file bids tomorrow on this build-
ing.

Contractors who have other post-
office buildings under construction
in this section have requested in-
formation regarding local condi-
tions, and indicated that they will
file bids on the building.

If a bid is let tomorrow it will
probably be a month before actual
construction will get under way.

bock were visitors in Canyon yes-
terday.

THE CONSTITUTIONAL AMENDMENTS

Voters of Texas will be confronted by a ballot 19x24 inches in size when they go to the polls on November 3. There are eight columns, the last two of which are unnecessary since there are no independent candidates, and the last column does not even have a heading.

Those who wish to vote a straight Democratic ticket may run their black pencil up and down through the seven columns following the Democratic column, and the job will be done so far as the candidates are concerned.

The Attorney General recently ruled that the Secretary of State had the authority to place the names of the candidates for President and Vice-President on the ballots, rather than print the names of the electors, but for some reason this advice was not followed, and therefore the voters will be confronted by a long list of names at the top of each ticket. The names of these electors mean nothing, since every voter realizes he is voting for a President and Vice President.

At the bottom of the ballots is printed the six constitutional amendments which are being presented to the voters this year. These amendments are very important, and each and every voter should consider carefully the merits of each proposal. So often voters simply vote against constitutional amendments as a matter of prejudice, rather than seek information as to the effects of the amendments.

The first amendment on the ballot seeks to establish a state dispensary for liquor in Texas. The News is opposed to this amendment. We do not wish to see Texas engaging in the liquor business. Private handling of liquor is bad enough. When the state goes into the business bootleggers thrive to a greater extent than under private control. State liquor stores have been tried in many instances, and no state calls the plan ideal.

The second amendment would provide for a retirement fund for teachers. Under the plan each teacher would contribute a certain percent of his salary monthly, which the state would match. When a teacher has contributed to the fund for 20 years he may retire and be entitled to draw benefits of this fund. They shall not be entitled to draw any other pension or benefits from the state government. The teachers are the only body of state employees who have proposed to contribute to a fund which would be established for their future benefit. For this

reason the amendment is being highly endorsed by citizens who have become alarmed by the increasing number who demand old age assistance from the state.

The third amendment printed on the ballot would allow the state to provide workmen compensation insurance for state employees. It is rather a ridiculous situation when the state law forced each and every employer in the state to carry workmen's compensation insurance, and at the same time the state made no provision for such insurance for those who are engaged in public work. The state should be as fair with those who work for it, as it requires private individuals to be toward those engaged in the various lines of business in the state. We believe this is a good amendment.

The fourth amendment provides for the removal of absolute power of pardon and parole from the hands of the Governor, and gives this authority to a Board of Pardons and Paroles. Safety is provided in that one member shall be appointed by the Chief Justice of the Supreme Court, one by the Chief Justice of the Court of Criminal Appeals, and one by the Governor. No one person may control the board in such a manner of appointment. Every Governor who wants to be fair would gladly shift the responsibility of pardons and paroles to a non-political board. Governors who have trafficked and sold pardons and paroles have no business with such powers in their hands. The amendment is a good one to protect the best interest of the state.

The fifth amendment seeks to increase the salaries of the Governor from \$4,000 to \$12,000 per year; to increase the salary of the Attorney General from \$4,000 to \$10,000 per year; to increase the salaries of the Comptroller, the State Treasurer, and the Land Commissioner from \$2,500 to \$6,000 per year; to increase the salary of the Secretary of State from \$2,000 to \$6,000 per year. While these increases amount to only \$36,000 per year, and would cost each individual taxpayer a very, very small fraction of a cent, there are many voters in Texas opposed to increasing the salaries of public officials. These present salaries are entirely inadequate and are not on a par with the duties and dignity of the offices as imposed upon the public officials by the people of Texas. The stock argument against these increases is the fact that so many persons are always willing to run for public office. That is beside the question. These officials are justly entitled to a more liveable wage, and it would certainly be a wise thing on the part of the voters of Texas to increase these salaries.

The sixth amendment on the official ballot is the one which would limit the number of State Representatives in any one county of Texas. This amendment is being urged by the West Texas Chamber of Commerce and by many public minded citizens of the state. The amendment is in keeping with the movement in many states where large cities have grown up at the expense of the rural sections. The News believes this is a good amendment. Whether it will be adopted depends largely upon the interest, for or against, which may be taken in the large counties of the state. The News is more interested in the success of this amendment than in any of the others, and will therefore publish statements by State Representative George Moffett, author of the amendment, before the election next month.

Governor Allred will probably be defeated in his attempt to transfer three million dollars from the highway department to the fund to pay old age assistance. The situation is very bad, so far as the future

payment of assistance is concerned, but the Governor seems to be very largely to blame for the present deficit. During the campaign this summer he scoffed the idea of the necessity of a special session. Of course the legislature will be blamed for not passing a revenue raising measure during the two called sessions in the spring, but as a matter of fact the legislature was working largely in the dark as to the amount of money that would be necessary to pay old age assistance. Furthermore, Governor Allred attempted to dictate to the legislature the sort of revenue raising measure that he would accept, and as a result no measure was passed. The tax bill which Senator Small wrote and passed in the Senate would have raised all the money necessary, but it was not acceptable to the Governor and his friends, therefore, failed to be accepted in the House. Raising money in such huge amounts will be necessary for old age assistance will not be an easy matter. It will not be at all surprising to see this assistance greatly reduced during the coming six months since the federal government refuses to extend grants where the state has failed to match the grants. It is very evident from happenings under the Big Dome that an adequate tax raising measure is going to be hard to pass through the legislature.

The McLean News raises the question as to why women should not be allowed to serve on juries. Many states give women this privilege, and Texas should do likewise. Women have been afforded all of the privileges which go with suffrage, including voting and office holding. There is no legitimate reason why they should not now be allowed the rights of jury service. We say "rights," because it is really a privilege to be of use to the state in rendering intelligent service on juries. The person who gives honest and sincere jury service is upholding the hands of his government by rendering justice to his fellow man. A greater interest is needed in jury service in this nation. If the women have exerted the influence that is claimed for them in cleaning up politics, then by all means the same refining influence should be exerted in the courts of the land.

This is Fire Prevention Week. What a good thing it would be if all property owners will take the situation seriously and remove all fire hazards. Most all property owners carry insurance. They consider that it is a good investment to have their property insured, since few of us would be able to rebuild if our homes or offices

were burned. Insurance rates are high because there are so many careless people causing so many fires. The policy owners are the ones who pay all fire losses—not the insurance companies. To keep insurance rates low, there must be fewer fires. Canyon was penalized severely for having so many fires a few years ago. We are gradually working out from under the heavy loss sustained by this epidemic of fires. To reduce the fire losses means money in the pockets of all property owners.

The greatest newspaper in the United States, the New York Times, has announced its support of the re-election of President Roosevelt. The Times is the Holy Bible for the East to as great a degree as is the Dallas News for thousands of people in the Southwest. The Times comes as near being a newspaper for the nation as any daily publication could hope to come. The bolt of Al Smith has caused anxiety in Democratic circles, but the support of The Times will do much to offset the ungracious attitude of Smith.

The News stated several weeks ago that all the Lamke-Townsend-Coughlin crowd could possibly do to defeat their one and only friend, President Roosevelt. While the Lemke ticket seems to be winning rapidly due to the internal fight among his followers, the above fact is more and more evident as political writers canvas the situation in the half dozen states which will be the battle ground for supremacy. Every vote that enters this camp comes from the Roosevelt followers, rather than from Landon.

There has not been a single national bank failure in the United States during the past year. It is the first time in 55 years that a whole year has passed without a bank failure. The banking laws passed by the Roosevelt administration stopped bank failures, and has made impossible a recurrence of wholesale bank failure as was witnessed during the Hoover administration. This one performance of the Roosevelt administration should guarantee his re-election.

Jackson Leads Buffaloes To 9-0 Win Over Rams

Scoring Delayed Until
Third Quarter of
Battle

Generated by the defensive work of Captain Leo Jackson, the Buffaloes manufactured a touchdown and a field goal in the final canto to squeeze out a 9-0 win over the T. W. C. Rams of Fort Worth, Friday night, in Buffalo Stadium.

Clearly outplaying the visitors in every quarter, the Buffs failed to make use of their scoring chances until the final minutes of the third quarter when "Watchboy" Walling, fiery-headed Buff tackle, sifted through to recover Splawn's fumble on the visitor's 14 yard stripe. The score came in the fourth quarter when Slack pierced the line from the three yard line. Dow missed the trial from placement.

The victory ran the Buffalo string to three straight, and establishes them as equal favorites in their clash next Saturday against the high riding University of New Mexico.

Inspired by the dauntless Jackson, who intercepted three Ram forwards, plus the ball totting of Thomas, Butler and Dow, the locals piled up 12 first downs to the Rams' 7. They registered 210 yards from scrimmage against 59 for the "Cowtown" representatives. The long lazy punts of Stroud, Ram fullback, gave the visitors the superiority in that department.

Outstanding in the Rams' plucky performance was the brilliant defensive work of right end Dan Isbell whose tackling and blocking was injurious to the Buffaloes' running attack. Hall Splawn, hard driving halfback, lived up to all expectations as a deceptive ball totter.

Toby Waggoner, who was not expected to participate, was employed by Coach Baggett to replace the injured Speer who was ejected because of a dislocated shoulder. Despite his wobbly physical condition, Waggoner was instrumental in stopping all plays planned in his region. For the first time this season, the venomous pass combination of Watkins to Waggoner was silenced.

The Buffs' last counter came in the last three minutes of play when Walling, Hinger and Horton blocked Reese's punt on the Rams' 30 yard stripe. Dow, Thomas, and Lyde alternated to carry to the 16 yard line from where Craig

Walling confidently kicked a field goal.

As the Buffs prepared to score in the second quarter, Livingston, Ram tackle, grabbed a loose ball from the extended arms of Conway Butler on his own 16 yard line, and danced to the 48 before being overtaken. The visitors continued the march to the 25 where it was stemmed when Jackson snatched one out of the blue.

The game was ended as McCarty threw two successful forwards to Reese and Splawn in a frantic attempt to score.

Calves Gallop To 20-7 Victory In Fray With Friona

Featuring a running attack that gained yardage almost at will, the W. T. Calves galloped to a 20-7 victory over Friona on the flood-lit Chief gridiron Friday night.

On the Calves first play of the game, Butler plowed 50 yards through the entire Chief tribe to a touchdown. The Calves' next tally came midway in the third quarter when Butler again rammed his way through the rugged Chiefs to cross the goal line untouched. A few minutes later, Coffman, crack Chief fullback, slipped off tackle and raced 70 yards to chalk up Friona's lone tally.

With one and one-half minutes to go, Fox, fleet Canyon back, circled left end for the Calves' final score.

Butler, Sargee, Fox, and Patterson were outstanding in the Calves' line up, while Coffman, Brookfield, and Williams turned in stellar performances for the Chiefs.

Twenty-one Calves saw service during the game. Starting lineup for Canyon was: ends, Curry and Thornton; tackles, Money and Hearst; guards, Patterson and Mayfield; center, Whitman; quarterback, Sargee; halves, McBroom, and Fox; and, fullback, Butler.

Program

Mothers and Dads will share honors with former students here Oct. 31 the day officially designated as Homecoming and Mothers' and Dads' Day. Parents of all students are welcomed to the campus to visit and to attend the attractions of the Homecoming program.

A talk by Senator Champ Clark of Missouri at 10 o'clock in the forenoon will be open to the public. A football game with Sul Ross State Teachers College will be the main feature of the afternoon. Other details of the program have not been completed.

Those on the Homecoming Committee are Dr. Harris M. Cook, chairman; Prof. Mitchell Jones, Prof. T. M. Moore, Miss Ruth Cross, Travis Shaw, Miss Ada V. Clark, Miss Ruth Lowes, and members of the regular Lyceum Committee which includes Prof. Wallace R. Clark, Miss Mary Morgan Brown, and Dr. B. F. Fronabarger. The committee will meet today to make further plans for the Homecoming program.

Federated Exes To Hold Banquet

Dr. J. A. Hill Will Deliver
One Of Principal
Addresses

One of the principal features of the meeting of the Texas State Teachers Association at Ft. Worth, Nov. 27-29, will be the banquet of the Texas Federation of Ex-students of Teachers Colleges.

Organized in 1934 at the meeting of the T. S. T. A. in Houston, the Federation has as its primary objective the combining of the teachers of the seven teachers colleges of Texas into one compact organization for the standardization of salaries in colleges and public schools, to make teachers colleges equal to other professional schools, and to make teachers colleges graduate schools. More than 1,000 students have done graduate work during the summer in teachers colleges since the Federation was organized.

Principal speakers at the banquet will be Dr. J. A. Hill, whose subject will be, "The Objectives of the Teachers College and How to Achieve Them;" Hon. Walter Woodul, Lieutenant-governor of Texas, and John H. Gregory, president of the Texas State Teachers Association.

Music of the program will be furnished by W. T. and North Texas State Teachers College of Denton. Arrangements are being made with the Texas Hotel in Fort Worth to accommodate 2,500 ex-students.

Andy Kerr, Colgate football coach, is teaching his quarterbacks to call signals to the rhythmic cadence of a metronome. He'll expect his team to "swing it" this season.

As F. D. R. Took Off His Gloves

Dropping the "non-political" role he had played in the campaign during its early stages, President Roosevelt opened his big drive in Syracuse, N. Y., with a ringing denunciation of what he called a "false issue"—charges that he was receiving the political aid of Communists. The president, pictured above as he delivered his address, also charged that Republican leadership would "never comprehend the need for a program of social justice and of regard for the well-being of the masses of our people."

Carroll Donates Several Volumes To W. T. Library

Dr. H. B. Carroll of the history department, recently donated several volumes dealing with education to the old textbook department of the library.

This is the second donation by Dr. Carroll to the library. He donated numerous volumes to the history department when he taught here several years ago.

Dr. Carroll is an authority on

Texas literature and aided in the selection of the "Frontier Times" bought by the summer graduating class of 1935, Miss Tennessee Malone, librarian, said.

BUT OIL-PLATING LASTS...

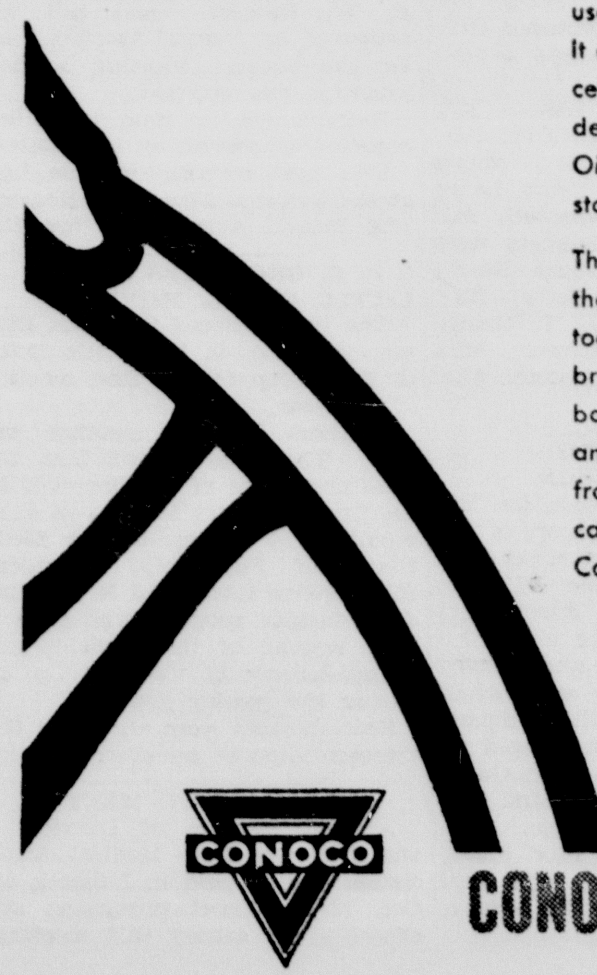

Change today

Right you are. The weather hasn't made up its mind yet. But you don't care, once Conoco Germ Processed oil—patented—is Oil-Plating your engine for Winter.

Change to modern Oil-Plating today, for instance. Then every cylinder, piston, bearing and other part is completely Oil-Plated.

And today... tomorrow... next month... as long as you use Germ Processed, this Oil-Plating will still be up there. It gets there by means of the special "hyper-oily concentrate" which is alloyed into Germ Processed oil under patents. In circulating, this oil renews its genuine Oil-Plating, which doesn't return to the crankcase, but stays up all through your engine.

Thus the old cry of "get your right Winter viscosity" isn't the half of it, now that you can get exclusive Oil-Plating, too—a great big extra. Oil-Plating is all ready to lubricate before your starter even turns, and that lets your battery live. Oil-Plating doesn't run off in any weather, and that saves your engine and oil. You keep away from your next quart—your next battery—your next car, by changing today to Conoco Germ Processed oil. Continental Oil Company

CARNIVAL PLANS ARE MADE BY CENTERVIEW CLUB

"Eggs at room temperature make the best sponge cakes," said Miss Allie Dozier, Home Demonstration Agent, at the meeting of the Centerview Club, Friday, Oct. 2.

Angel food cakes were scored by Miss Dozier and several of the members. Due to the absence of a representative at the last council meeting, Miss Dozier gave the council report. Plans were discussed for the Halloween Carnival to be sponsored by the club. It will be held at the Fairview school house on the night of Oct. 31. Mrs. E. W. Schaeffer reported that Cal Farley's Band from Amarillo had accepted an invitation and will present a program here in December.

Those present were Mesdames: Lester Bryan, W. F. Barnard, Joe Currie, S. F. Sharpes, H. H. Sutton, H. H. Folk, E. E. Wesley, E. M. Wilson, Lela Rogers, Serena Bryan, Harney Rogers, J. W. Wesley, E. W. Schaeffer, Miss Dozier, and the hostess.

COFFEE FOR A. A. U. W. GIVEN MONDAY EVE

Misses Orpa Dennis, Jewell Foster, Mattie Jordan, Pauline Brigham, Novella Goodman, Hattie M. Anderson, and Mrs. Ray Campbell, all members of the Executive Committee of the A. A. U. W., acted as hostesses at a coffee Monday evening, Oct. 5, for members of that organization. The affair was given at the beautiful home of Miss Mary E. Hudspeth.

Mrs. T. B. McCarter and Miss Ruth Lowes presided at the beautifully appointed service table.

After the social hour the following study groups were organized: The Meaning and Interpretation of the Bible, Modern Literature, Biography, Drama, and the Psychology of Personality.

W. H. BENTON'S HONORED WITH DINNER THURSDAY

A farewell dinner party was given in honor of Mr. and Mrs. W. H. Benton and daughter, Hazel, at the home of Mr. and Mrs. L. D. Lockett, Thursday evening.

Mr. Benton, who is associated with the Santa Fe, has recently been transferred to Kress.

Seated guests were Mr. and Mrs. A. D. Fewell and daughter, Gwendolyn; Mr. and Mrs. Chester Meador; Mr. and Mrs. L. D. Lockett and children, Geraldine, Bill and Alton; and the honorees.

PARK H. D. CLUB HAS CAKE SCORING

The scoring of cakes was the project for the afternoon when members of the Park Home Demonstration Club met at the home of Mrs. Jas. E. Park. Five angel food cakes and two butter cakes were scored with scores of 98 and 93 for high and low.

A refreshment plate consisting of chicken salad, pickles, crackers, cakes and mints were served by the hostess.

Present were Mrs. W. A. Watkins, Mrs. B. F. Bennett, Mrs. M. L. Sullivan, Mrs. E. E. Adams, Mrs. Claude Hutton, and Mrs. B. F. McMahan, visitors. Members were Mrs. Frank Simon, Mrs. John Ladehoff, Mrs. C. C. Benton, Mrs. Ivan Pitt, Mrs. James Eddie Park, Mrs. Tony Simon, Mrs. Ruth Thurmon, Mrs. Owen Turpin, Mrs. C. C. Roddy, Mrs. C. F. Moore, Mrs. John Coburn, Mrs. W. E. Bennett, Mrs. Mary Simon, Mrs. Herrick Simon, Miss Allie Dozier, and Mrs. Park.

NIGHT PARTY FOR CLUB HELD THURSDAY

Mr. and Mrs. Irby Carruth acted as host and hostess to the Friday Afternoon Club members and their husbands at a dinner-bridge Thursday evening at their home, 1107 Fifth Avenue.

A beautiful array of fall flowers were used for house decorations. Covers were laid at five tables for the tasty chicken dinner served immediately following the arrival of all the guests. Bridge was the chosen diversion during the remainder of the evening.

Present were Miss Helen Hickman and Miss Pauline Brigham, Mr. Clyde Warwick, Mr. and Mrs. C. L. Thompson, Mr. and Mrs. Marion Bishir, Mr. and Mrs. Guy Harp, Mr. and Mrs. W. L. Smith, Mr. and Mrs. W. C. Black, Mr. and Mrs. Tom Knighton, Mr. and Mrs. Dan Sanders, Mr. and Mrs. Travis Shaw, and Dr. and Mrs. R. A. Neblett.

JUNIOR WOMAN'S CLUB HAS MEETING PLACE

Throughout the remainder of the study year for the Junior Woman's Club the group will meet in Room 207 of the Education Building at the College. All members are asked to note this change in meeting place and are urged to be present Monday, Oct. 12, for two interesting reviews on "Jane Adams," and "The Bachelor Prince."

DESSERTS ARE DISCUSSED BY WEST SIDE CLUB

A thorough discussion of what constitutes light and heavy desserts and how and when they should be used, was the basis of remarks given by the West Side H. D. Club by Miss Allie Dozier at the home of Mrs. Wm. Ash last Friday, Sept. 25th.

Reports from both county and Tri-State exhibits were given during the business session, and it was found the club made a nice record at both places.

Since it was an all-day meeting, a delicious luncheon was served, buffet style, to the following: Mrs. Walter Brock of Amarillo, Mrs. Geo. Frank of Canyon, Mrs. J. S. Slate of Delhi, Colo., visitors; Mrs. Joe Baber, Mrs. E. N. Zachry, Mrs. J. A. Smith, Mrs. W. C. Roberts, Mrs. B. A. Burrus, Mrs. Clark Ash, Mrs. J. J. Wright, Mrs. Frank Stockhaus, Mrs. J. E. Hunter, Mrs. L. A. Donnell, Mrs. Lena Tueck, Miss Kitty Burrus, Mrs. Joe Tueck, Mrs. C. L. Gordon-Cummings, and the hostess, Mrs. Ash.

P. H. BABER FAMILY HONORED WITH PARTY

A beautiful array of fall flowers in the entertaining rooms of the Joe Baber home greeted guests as they arrived for a party with Mr. and Mrs. P. H. Baber and Mildred as honor guests. The ladies of the West Side Home Demonstration Club planned a delightful surprise for them and presented Mrs. Baber with a lovely gift.

Progressive "42" was played at five tables and piano music and singing brought to a close a very delightful evening. After a number of games, covers were laid and coffee and cookies were served to the following with their families: J. E. Hunter, Wm. Ash, J. J. Wright, Joe Baber, L. D. Winn, B. A. Burrus, L. A. Donnell, T. A. Dowlen, P. H. Baber, Miss Kitty Burrus, and the following visitors: Mrs. J. S. Slate and son from Delhi, Colo., and Mr. and Mrs. Glen Lynskey from Wichita Falls.

McMURTRY IS HOSTESS TO COLLEGE DAMES

Miss Florence McMurry was hostess to the members of the College Dames Club, Friday afternoon from three to five o'clock at Cousins Hall.

The program opened with greetings by the club president, Mrs. J. Dan Archer and Mrs. Agnes Smith, director of Cousins Hall. Miss Fern Gower played a group of popular selections on the piano, and Miss Margaret Esther Hill gave two whistling solos; she was accompanied by Miss Virginia Hohaus on the piano. Miss Mary Moss Richardson reviewed Anne Lindbergh's popular book, "North to the Orient." At the close of the program a business meeting was held and plans for the year's work were discussed.

Roll call was answered by "How I Spent My Vacation." Mrs. F. M. Munson concluded the meeting by giving the history of the club since its organization in 1934.

Refreshments of punch, cookies, and candy were served to: Mrs. W. E. Tandy, Mrs. R. M. Francis, Mrs. W. M. Davis, Mrs. G. M. Stuart, Mrs. A. E. Douglas, Mrs. E. Dutton, Mrs. J. R. Evers, Mrs. J. H. McMurray, Mrs. A. L. Tarlton, Mrs. I. F. SoRelle, Mrs. Wilson Weed, Mrs. T. H. Campbell, Mrs. G. W. Neff, Mrs. J. Dan Archer, Mrs. M. W. Gordy, Mrs. P. L. Walters, Mrs. F. M. Munson, Mrs. Agnes Smith, Miss Mary Moss Richardson, and Miss Florence McMurry, the hostess.

The next meeting of the club will be with Mrs. Dan Archer, 2010 Seventh Avenue, on Nov. 6.

MRS. TOM LAIR HAS LAKESIDE CLUB

An autumn party was given Wednesday, Sept. 30, at the home of Mrs. Tom Lair by the Lakeside Home Demonstration Club for non-club members of the community. Illness kept a large number away.

Various games and contests were enjoyed, after which refreshments of individual fancy cakes and punch were served. Clever little candy airplanes were used as plate favors.

Those present were: visitors, Mrs. Wilson Campbell, Mrs. Tom Gerold, Mrs. Albert Byars, Misses Gwen, Jean, and Fern Byars, Laura Lou and Loraine Campbell, and Bonnie Dickinson. Members were Mrs. L. B. Hammond, Mrs. Harley Burrus, Mrs. Cecil Berry, Mrs. Andrew Jones, Mrs. L. T. Campbell, Mrs. J. E. Dickinson, Miss Allie Dozier, and the hostess, Mrs. Lair.

N. C. CLUB ORGANIZED THURSDAY AFTERNOON

Mrs. Burney Slack and Mrs. Bill Money entertained members of the N. C. Club Thursday evening with a party at the home of Mrs. Money. Mrs. Bob Steen was elected president of the club.

Games of monopoly were played until refreshments of sandwiches, hot gingerbread with whipped cream and coffee were served to the following: Mrs. George Gammon, Mrs. Morris Small, Mrs. Bob Steen, Mrs. Jim Cheyne, Mrs. Audie Morgan, Mrs. Victor Steen, Mrs. J. A. Edwards, Jr., and Mrs. Burney Slack and Mrs. Bill Money.

Matanuska Farmers Prove They Do Grow Crops

Farmers who left the middlewest to try life in Alaska's Matanuska valley held their first annual fair this fall. One of their reasons for the fair was to disprove reports that they were growing nothing on their northern farms. M. D. Snodgrass, chairman of the fair, is shown above with some of the farm products that were exhibited. The background of the picture is a farm home with thriving garden and sturdy log and lumber barn. This dwelling is typical of the homes built in the Alaskan country by the American colonizers.

Mrs. C. E. Donnell has returned from Lubbock where she underwent a delicate operation a few weeks ago.

Mr. and Mrs. Clyde Warwick and Miss Dorothy Warwick left yesterday afternoon for Fort Worth and Dallas. They plan to visit Centennial attractions in both cities and attend the game at Dallas Saturday between Texas and Oklahoma Universities. They will return home Sunday.

A. B. Duncan came in from Wichita Falls Saturday after working there for the past several weeks. He came by air and was met in Amarillo by his family.

Mr. and Mrs. E. I. Boyce visited Mrs. Martin MacBee in Lubbock last week and attended the Fair while there.

N. E. McIntire is visiting his mother at Nocona this week.

Mrs. J. E. Courtney of Floydada is visiting in the A. B. Duncan home this week.

Y. W. CABINET MEMBERS ENTERTAINED BY DINNER

The Cabinet members and the Faculty Advisory Board of the Y. W. C. A. were entertained with a dinner held at 6 o'clock Wednesday evening in the Home Economics dining room.

Miss Rosa Cash, president, introduced the Cabinet members. Interesting topics and plans for the welfare of the organization were discussed by June Day, chairman of the Freshman Fellowship Unit, and Etiole Sirman, program chairman.

Those present were: Misses Mary Morgan Brown, Mary Hudspeth, Ruth Lowes, Mary M. Richardson, Edna Graham and Ocie Sanders, all of the Teachers Advisory Board.

Misses Rosa Cash, June Day, Betty Jones, Etiole Sirman, Jo Beryl Kell, Freda Charles Bills, and Margaret Peery, of the Cabinet; and Charlotte Tubbs, Mary McCaslin, Ruth Wells, and Erma Westmoreland, members.

LEGION AUXILIARY HAS MEETING MONDAY

A called meeting of the American Legion Auxiliary was held Monday, Oct. 5, at 4 o'clock in the Legion Hall. Plans for the following year were discussed and committee chairman were appointed.

The meeting time was changed to the first Monday afternoon of each month at 3:30. Tentative plans for a Poppy Sale and November 11 plans were discussed.

The auxiliary is very desirous to have the whole-hearted co-operation of the entire citizenship with reference to the Poppy Sale this year.

MRS. R. E. FOSTER HAS CLUB MEETING THURSDAY

Members of the Mother-In-Law Club enjoyed a delightful meeting at the home of Mrs. R. E. Foster Thursday afternoon between the hours of three and five o'clock.

Mrs. R. T. Bowman presided in the absence of the president, Mrs. R. W. Ratcliff. Roll call was answered by "tongue twisters." After the business meeting a short program was enjoyed.

Refreshments of sandwiches, and cocoa were served by the hostess.

The next meeting will be held at the home of Mrs. J. B. Hensley, 1609 Second Avenue, on Nov. 5th.

I. R. C. ORGANIZES AT LITTLE HOUSE, MONDAY

The International Relations Club met yesterday in the Little House of Fellowship for its first meeting of the year.

A short business meeting was held. The club decided that the time and place of meeting will be the first and third Monday of each month at 7 o'clock in the Little House of Fellowship. President Bill Hopkins introduced S. H. Condon, faculty sponsor, who gave a brief resume of the probable accomplishments of the organization during the coming year.

Refreshments were served to the representation of members present.

DOCTORS TO MEET

In 1926, a person-to-person long distance telephone call between New York and San Francisco cost \$20.60 at any hour. Six minutes were required to make the connection.

Today—1936—the same call may be made for only \$6.75 at night, or any time on Sunday. You are connected in less than a minute and a half, on the average.

This wide difference between the long distance rates of yesterday and today is the result of seven voluntary reductions made in the past ten years.

It illustrates a Bell System policy in action—the policy of voluntarily reducing rates when it can be done.

IN THE WORLD OF SPORTS

With Such a Fine Bunch of Veteran Footballers Around, It's a Tough Row for Sophomoric Sensations to Hoe, Martin Believes

BY PHILIP MARTIN

ENOUGH of last year's college football heroes are still in the thick of gridiron goings-on this fall to make things plenty competitive for those newcomers who have shone well in early games.

At Texas Christian there is Sammy Baugh, passer par excellence, generally recognized as the outstanding tosser of the country. This lad chucked 19 touchdown passes last year and almost blocked Southern Methodist's Rose Bowl march with his pitching of the pigskin.

Nebraska has two fine vets, Lloyd Cardwell and Sam Francis. Cardwell is a great running back and Francis can kick his left-footed punts with the best of them. Francis, incidentally, is the same boy who led American shotputters in the Berlin Olympics.

AFTER a year's layoff, Julius Alfonso is back with the Minnesota powerhouse and going great guns offensively. Alfonso played with the Gophers

in 1933 and 1934, but was ineligible last fall. Byron Haines of Washington is shooting at all-American rating. Haines is really a great back. Lack of reserve material handicapped him last fall, but he'll have plenty of help this year from a swell bunch of blockers.

Jumping Joe Williams! Coach Francis Schmidt of Ohio State is counting heavily on this little guy to slide through the enemy lines.

He's not very sturdy, Williams, and Schmidt is picking the spots for him, inserting him at times when his shiftiness may carry him over for a score. Joe will be far more valuable in this role than if permitted to burn himself out playing an entire game.

This incidentally is an idea that is gaining favor among many of the more prominent coaches. So, don't go to the ball games this fall expecting to see your favorite ball lugger in action the entire 60 minutes.

THAT North Carolina didn't get into the Rose Bowl game last year can be laid at the door of Clarence "Ace" Parker, Duke's quarterback. He's a sure enough triple threat and a very heady field general.

Yale's loquacious Larry Kelley, who has been termed the Dizzy Dean of the gridiron, is a boastful guy who usually makes good his boasts. Kelley is rated as one of the best—if not the best—pass receivers in the east. He captains the Eli outfit this season and if this big Irishman doesn't get a lot of fight out of the Bulldogs, then they deserve to be muzzled.

Then there is Floyd Blower of California, who gets Coach Stub Allison's nod as the greatest back on the westward slope of the Rockies.

And we could go on and on mentioning veterans who have turned up again this fall. There is no dearth of talent on college gridirons this year.

Here are three "old men" of the football wars who are still shining brightly. Ace Parker, left. Lloyd Cardwell, center. Joe Williams, right.

Diet Specialist Is Speaker Before Home Ec. Girls

Miss Lorraine Crouch, diet specialist, addressed students of the home economics department here Friday, explaining to them the importance of bread in the planning of meals and showing them the differences in types of flour.

Touching on the vocational values of home economics training, Miss Crouch said, "There are many vocations besides home-making and teaching open to the girl who is well trained in home economics." She mentioned home demonstration work, and several types of commercial work to which a scientific knowledge of food and clothing are necessary.

One hundred seventy-five girls are enrolled in the home economics department this year. Its teaching staff includes Miss Orpa Dennis, Miss Elizabeth Cox, and Miss Ferne Bowman.

Miss Crouch was sent to the college through the co-operation of the Great West Mill and Elevator Company of Amarillo.

Palo Duro Peeps

Herbert Kuhlman and Hardine Rogge attended the Texas Centennial at Dallas last week.

Miss Clara Miller of Amarillo spent Sunday evening with her parents, Mr. and Mrs. Henry Miller.

Miss Herta Meyer of Friona spent the week end with her mother, Mrs. Meyer.

Mrs. Pauline Wendelken and sons visited in the Clem Dugan home Monday afternoon.

Mr. and Mrs. Walker McKee and family spent Saturday evening in the Pearl Harding home.

Mr. and Mrs. Joe Tucek visited in the Herman Kuhlman home Sunday afternoon.

Vincent Lockhart returned Saturday from Berlin, Md., where he has been engaged in newspaper work since June.

EPISCOPAL CHURCH

The Service of Evening Worship will be conducted by Rev. Warwick Aiken at All Saint's Chapel Sunday evening at 7:30 o'clock. After the service the Little House of Fellowship will welcome friends.

On Monday morning at 7:00 o'clock the service of Holy Communion will be celebrated by Rev. Mr. Aiken.

COUNTY BUYS TWO ROAD MOTOR GRADERS

At a special session of the Commissioners Court Monday, contracts were let for two motor graders. These will be used to keep the county roads in shape in precincts one and four. This type of machine is being used in the other two precincts.

The new machines will reduce the cost of dragging, and also eliminate the necessity of using the heavy graders so much.

CANYON GOLFERS DEFEAT WOLFEN TEAM HERE SUN.

Wolfen golfers of Amarillo played a return engagement with the local boys here Sunday at the Country Club course. Twenty-two threesomes played the tricky course with Canyon winning with 42 to 25 points. The Wolfen team defeated the Canyon team a few weeks ago when the teams played on the Amarillo course.

NUMBER 4

Cactus
Cal

Wal, Wal, here I was just a thinking the other day that there weren't no couples in Canyon High and let me tell you what's what. There is Marie O'Donnell and Eston Breitling, Lillian Chambers and Joe Gill. Another girl and boy that have been seen together a lot are Anne Maxwell and Ed Gidden; another are Martha Jo and Clarence, and still others are Natalie and Glen Burrus, Forest Hill and Renna Beth Bellah, Mary Bourp has switched from J. C. Bellah to Jack Inman, or the boys switched; Helen Hurst and Bo Vandergriff have been seen together quite a bit. Fairy has been seen escorting Dorothy Warwick around town. Three others are Sweetie McNeil and Billy Sternenberg, Charles Gerald and Beatrice Burrus, and Lonetta O'Dell and Doyle Neff.

I'm a little bit behind times cause I just saw a purty blue Texas Centennial compact that was given to Mavis by Captain Jack Middleton.

Seems to me that everyone shore is for Coach Hutto; if you ever get around any of the football boys you'll hear about Coach Hutto.

Have you heard about the absent-minded professors? Well, the other day Mr. Carruth wandered around in Miss Posters' study hall and after a little bit he looked back and grinned and said, "Oh, pardon me, I thought it was my period to keep study hall." Then Mr. Pope gave a test to the Bible class and forgot to take up the papers.

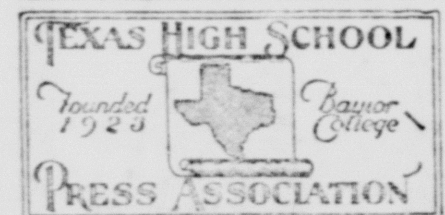

Miss Eastus shore should receive praise for that grand drum corps that you saw down town Friday.

Boys, I shore felt chesty when we rolled Dimmitt in the soil.

Bot, you and Herbert shore had some purty yaller shoes on the other day at school.

Yours til Kate puts the moon over the mountain.

—Cactus.

I ARISE TO A POINT OF ORDER

"The house will please come to order. Secretary, read the minutes, please," commands the president.

So starts a perfect class meeting. Are you proud of your class meetings? Would they be worthy of putting in print?

The senior class knows how, and we hope they conduct theirs accordingly. If the example they set forth is good, the lower classes should be able to put the example in use.

All high school pupils know enough to be respectfully quiet when a speaker is on the floor. They should have respect for their president and the other officers.

If all pupils respected the others' rights in such meetings, what a perfect meeting that would be!

The business of the class should be quickly and thoroughly disposed of, in accordance with rules of parliamentary law.

WE WANT ACTION

Why shouldn't the girls have something to do during the noon period besides sit on the steps and gossip? The boys play football and baseball and enjoy themselves; yet the girls have nothing to do. The ones in the pep squad beat their drums, but there are other girls who don't belong to the pep squad who would like to do something at noon.

The girls have a broken baseball bat and no ball at all, and that's about all the equipment they do have. Why couldn't something be done to bring the girls of Canyon High School closer together in everyday life?

Eastus Named Co-Sponsor Of Girls Basketball Team

Miss Annie Ruth Eastus, teacher of reading and geography in the grade school and sponsor of the Pep Squad, has been elected co-sponsor of the girls' basketball team. Miss Eastus is filling the place of Mrs. Otis Parker, formerly Miss Lenna Foster, who taught English in the grade school last year.

The girls will not start training until next Monday. The delay is due to so many girls having colds and the practice of the drum corps. The girls will have several weeks of practice before the invitation tournament at Canyon, to be held early in the fall.

Players from last year who will be back are Mary Collins, Captain, and Kate Donnell, Renna Beth Bellah, Carolyn Mayfield, Billy Greenfield, Edie McNeil, Wanda Brock, Natalie Flesher, Mavis Harden, Dell Bagley, and Mary Jo Event.

A large group of freshmen will also be out for basketball this year.

Teachers Hobbies Are Athletics And Travel

"My favorite hobby is watching all kinds of athletics," said Coach Emil Hutto. "Next I like to travel."

Coach Hutto is especially interested in geography and history. He likes to read historical fiction and visit historical spots. He also likes to see waterfalls, "but not Niagara on a honeymoon."

His favorite foods are fried chicken, frog legs, shrimp and watermelon.

Coach Hutto attended Vernon High School three and a half years, and graduated at Wichita Falls. During high school he played football, ran 440 yard dash, and threw the shot and discus. He attended Wichita Falls Junior College for two years and lettered in track and football. He was captain his last year. The next year he attended Amarillo Junior College. The following two years he taught at Skellytown. In 1934 he received his B. A. degree from West Texas State Teachers College, with a double major in history and Spanish. Last year he taught at Merkel where he was principal, coach, and teacher of Spanish.

His ambition is to teach history in a college. Next summer he will get his master's in history. He plans to attend West Texas State Teachers College and the University of California.

GUESS WHO

He's a big husky sophomore and plenty of fun,

THOUGHT OF THE WEEK

Life is short—too short to get everything. Choose you must, and, as you choose, choose only the best in friends, in books, in recreation, in everything.

Miss Pauline Crittenden was the guest of Miss Mattie Jordan Saturday night and Sunday at the home of the latter's parents, Mr. and Mrs. C. G. Jordan of Tulia.

Leo and Florence Hall from Wellington are new students in the fourth grade.

Dorothy Warwick will leave Wednesday to visit the Texas Centennial.

Anne Maxwell spent Saturday in Amarillo.

Wilda, Wayne, and Vera Fay Marsh visited in Tulia Sunday.

Eagles Soar Over Dimmitt Bobcats In Game

Completing several passes, the Eagles soared over the heads of the Dimmitt Bobcats Friday afternoon when the two teams fought to the finish on Buffalo Field. The Bobcats plunged the line almost the whole time they had the ball, but the Eagles ran the score up to 26 to 0 in their own favor.

"Bulldog" Drummond had the co-operation of his backfield men when they completed his passes, making long gains. These were the principal means of making touchdowns. However, the quarter-back's first place-kick didn't go through the goal posts. Making up for this, Drummond marked up two points later with two place-kicks.

Every linesman did his part during the fracas, blocking and tackling so that yardage could be gained.

Ray Ford Rusk, unfortunately, was ineligible for the game. He probably would have accounted for more scoring had he been playing.

Another serious mishap was the breaking of Hershel Burrus' nose in the third quarter of the game.

Joe Gill, fullback, did some outstanding playing, as did Fairy Hill and D. A. Butler.

"La Tertulia" Has Meeting

"La Tertulia," the Spanish Club, met last Friday in the auditorium. The club sang "Cielito Lindo" (Beautiful Heaven), "Juanita," and "Velas Rojas" (Red Sails in the Sunset). Zella Laughery accompanied the club, and later gave a piano solo, "La Golendrina" (The Swallow). Helen Johnson gave a story, "The Spanish Lady." "The Climax of the Spanish War," was the title of the story given by Sarah Thompson.

James Pope, president, took charge of the program, and Joe Harry Roberts read the minutes. Annie Mae Spencer led the singing.

After the program, Miss Jewel Foster, sponsor of the club, served refreshments to the members.

Calliham-Breitling Named Winners

District Eight of the Future Farmers of America met Tuesday night at Tulia, to work out objectives for the year.

Instructors from Tulia, Hereford, Plainview, Dimmitt, Abernathy, Silvertown, Hale Center and Canyon attended the meeting.

Melvin Calliham and J. D. Breitling, winners of the essay contest on "Production of Quality Cream," were awarded a trip to Lubbock. Mr. T. M. Moore, director of the College Farm and teacher of agriculture in W. T. S. T. C., graded the papers.

Carolyn, did you get your job? It was heard that Miss Mayfield was applying for the job of designing Greta Garbo's clothes, and as experience stated that she had modeled fans for Sally Rand's famous fan dance. For references as to her ability and character, she gave the name of the Right Reverend Dr. Mary Collins of Umbarger, Texas.

The boys are all pepped up over the win last Friday and they really intend to show those other teams how to hustle and fight these next games.

The Eagle substitutes saw a little service in the game Friday, and despite inexperience, showed up fairly well.

The Eagle passing attack was much more effective in the Dimmitt game than in the two previous games. Coach Hutto says the Eagles will take to the air and live up to their names.

Three boys have started basketball practice with Coach Morris. They are Eston Breitling, J. D. Breitling and Glenn Moss.

Most of the noon period sports have died out since the drum corps began practicing at noon. Now the principal diversion is watching and listening to "The worms crawl in, the worms crawl out," etc.

Concerning girls' athletics: the girls have postponed their basketball practice until Monday on account of the time required for the drum corps to practice, in addition to there being so many colds.

The pep squad girls state that they certainly appreciate the consideration shown them by the football boys, the coach, and the manager. They think it's the greatest way any pep squad has been treated; it makes them want to back the Eagles more and more.

Mrs. Stella Murrell spent the week-end in Pampa with her daughter, Miss Ethelen Murrell.

EDITORIAL

"Ho!" "Catch that ball." "O. K. Let's go, gang," and the game was about to start.

"Here comes the band; hasn't it improved a hundred percent in the last few months?" "Oh, look how pretty those purple and white capes are in the sunlight."

Rat-a-tat-tat-rat-a-tat-tat. "The drum corps must be getting near the stadium." "Oh, look, there they are and the pep squad is with them." "I really am proud of the pep squad; they have on new hats. And the drum corps—say, did you know that their drums just got here this morning, and they already sound like they have taken private lessons."

"We should really celebrate; what I mean is, we should do something for the band and the drum corps to show them how proud we are that Canyon has two such fine organizations to back her football team."

"I hear that the pep squad got in free to the Panhandle and Lefors games; that was nice of Panhandle and Lefors. Now what can we do for the pep squad?"

"Everybody think what we can do for them."

The band played, the pep squad yelled, the drum corps performed, and the game ended 26-0 in favor of Canyon.

"Well, say I heard that the band got in free." "What about the pep squad and drum corps?" "Oh, each pep squad and drum corps member paid twenty cents each to get to back their team." And so the tribute—

"Hail to the Pep Squad and Drum Corps." Yeah?

Gridiron Gossip
By Bulldog

The other day I noticed one of the players sporting a moustache. I gathered my nerve together and asked him why he had so much soap on his chin. He turned a cold stare on me and answered: "For two reasons: to tickle the girls, and to show the other teams I am man enough to grow real whiskers."

Some of the other players told him that some day somebody would pluck his upperlip slick as a bar of soap if he let the other teams know why he grew whiskers. Better watch your step, Mr. Gill.

The boys' gym class has been training hard the last week. Rumors are that they will put on an assembly program soon. For entertainment, they have it.

Herschel Burrus, tackle, got his nose broken in the game with Dimmitt. Herschel said, "I guess I'll be the masked marvel from now on." Meaning of course that he will have to wear a nose guard the rest of the season.

Pep Squad Plays In Stunt and Parade

The Canyon High School Drum Corps performed for the first time last Friday afternoon in a parade around the square and from Highway 66 to the Stadium, where they performed at the half.

Edrie McNeil, drum major, lead twelve drummers: Billy Greenfield, Helen Hurst, Lillian Chambers, Martha Jo Newlin, Marielle Oldham, Kate Donnell, Renna Beth Bellah, Mildred Shuman, Hazel Sanders, Mavis Harden, Evelyn Cluck and Mary Collins. Marie O'Donnell and Carolyn Mayfield, pep leaders, acted as flag bearers, carrying the Canyon High School flag and the United States flag.

Final try-outs for the drummers will be held this week.

Class Officers Elected

The freshmen and seventh grade elected class officers last Friday afternoon.

The freshmen elected for their president Martha Frances Campbell. Fern Walters was elected vice president; Polly Cluck, secretary, and Mary Bourn, social chairman.

The seventh grade elected as follows: Earl Brook, president; D. A. Prichard, vice-president; Alvah Doak, secretary, and Mr. H. G. Moore, sponsor.

The seventh grade is in high school for the first time this year. The senior class elected their officers for this year last spring, while the juniors and sophomores elected theirs earlier in the fall.

Students Go To Centennial

Three students of Canyon High School took advantage of the Santa Fe Railroad's special rate to the Centennial last week. Glenn Persons, Herbert Kuhlman, and Hardine Rogge left Canyon Wednesday evening, Sept. 30, at 7:45 and arrived in Dallas the following morning.

Approximately 1,000 school children from the Panhandle spent Thursday and Friday at the exposition; twenty of them were from Canyon. They left Dallas Friday night, and the special arrived in Canyon Saturday morning.

BETTY RUTH SOLOMON HURT IN WRECK

There is time for all things. At least some one has found a use for that one-handed typing that Carolyn Mayfield and Kate Donnell have been using. Betty Ruth Solomon says it's more fun to type and play the piano with one hand.

Betty Ruth was injured last Saturday when the car of Elbert Laughery collided with two other cars. She had two fingers broken and her arm skinned very badly. It will be several weeks before she will be able to play the piano or to attend typing classes.

'36 Seniors Gift Received

Furniture for the girls' lounge has been purchased by Miss Fannie Sue Brasuel, head of the Home Economics Department. The furniture was left as a gift from the 1936 graduates.

The lounge was painted pink, trimmed in ivory. The bed is ivory with a dressing table to match. A green rug, chair and end table was also bought. A new mattress and springs, and waste paper basket is also in the list.

GRADE 5A ELECTS OFFICERS

5A under the direction of Miss Annie Ruth Eastus elected class officers for the year as follows: Martha Jean Dowd, president; Anita Davis, vice president, and Carolyn Black, secretary.

Wannie Thomas and her brother visited their sister, Mrs. W. A. Daniel, in Hereford Saturday.

Carol Ely and Gwendolyn Conloy visited Norma Lee Black this week-end.

Wanda Brock spent Sunday in Hereford visiting friends.

Jack Jennings, ex-student, visited school Monday afternoon.

Miss Ruth Greenfield spent the week-end in Shamrock.

FOOTBALL SCHEDULE

Eagles Clash With Heaviest Class B Team In Texas

Girls Organizations Hold Meetings During Week

Clubs and organizations of the high school students have been active this week.

Martha Frances Campbell was elected president of the Girl Scouts at their meeting Thursday evening at the home of Robbie Foster. Mildred Shuman was chosen secretary. New sponsors elected to replace Miss Robbie Foster and Miss Cleta Cope are Miss Gwendolyn Black and Miss Ruth Grenfield. Miss Black spent two weeks this summer in a camp in Wisconsin. It was not decided when the next meeting will be.

At a Home Economics Club meeting Wednesday evening, the club was divided into two parts. A meeting will be held twice a month instead of only once.

Miss Black announces that forty-eight girls are in Glee Club this year. The club is going to get new purple and white uniforms. New music has been ordered and the club will soon be in full swing, meeting every Tuesday and Friday morning.

A chorus of twenty-four seventh grade girls has been organized, which meets every Wednesday and Thursday.

Miss Black is going to take the girls on a picnic Wednesday. She states that all seventh-grade girls are encouraged and invited to attend.

Dr. Horn Prescribes Physics For Colds

"Take castor oil, go to bed early, drink hot lemonade, and use Vicks to get rid of your cold," explained Mary Horn in the junior English class.

Everything from cold remedies to sleeping in class has been discussed. Raymond Bible seems to think that reading the comic strip, and Major Hoople, and discussing them in class is a good pastime.

Judging by the way the boys have told how to fix flats, they certainly must be in practice; and as I have heard that practice makes perfect, if you ever have a flat, be sure to call on a junior boy. You may call on the junior girls for cold remedies or almost any other kind of economic question.

Orton Illustrates Talk With Slides

In assembly Monday morning, Mr. S. B. Orton showed colored slides of scenes photographed by him in his travels.

Boots Johnson and R. E. Prichard operated the camera, while Mr. Orton discussed each slide and explained them to the students as they appeared on the screen. He showed pictures from all parts of the United States, comparing the different climates and vegetation of each state. Scenes were shown from California, New Mexico, Florida, Alabama, Texas, Colorado, and Wyoming.

Following Mr. Orton's talk, Mr. Pope made announcements about tardies and absentees.

STUDY CLUB FOR FACULTY MEETS TONIGHT

This evening in the high school home economics room, the faculty Study Club will meet at 7:30 o'clock for the first meeting of the year. They will discuss subjects such as curriculum, guidance, and vocational agriculture this year.

The discussion will be lead by various members in a round table discussion.

Another thriller will be witnessed by football fans Friday night, when the Eagles clash with the Perryton Rangers at Perryton.

The Rangers have the heaviest Class B team in Texas, and are sure to be a tough opponent.

The Eagles have played three games this season. They tied Lefors 0-0 in a hard-fought battle at Lefors; Panhandle defeated them 44-0 at Panhandle, and the Eagles defeated the Dimmitt Bobcats 26-0 at Buffalo Field last Friday.

Coach Hutto has been drilling his men incessantly and he expects to have a much better team in the Perryton game.

Captain Jack Middleton states, "We'll do our best, of course, and although Perryton is a tough opponent, we'll be fighting them every down."

Moreover, every Eagle backer has a good right to expect an overwhelming victory Friday night! Let's beat 'em, Eagles!

Rough Sailing for Pacific Shipping

Despite a 15-day truce reached between maritime unions and shippers, the west coast was tense, fearing industrial strife, after contracts between union workers and employers expired. Disagreements came when shippers announced plans for hiring workers from the docks instead of from hiring halls, as stipulated in the expired working agreements. The top picture shows a typical hiring hall scene with workers waiting to be assigned to jobs. The lower photo shows part of the San Francisco waterfront, center of west coast shipping.

CUT YOURSELF A PIECE OF CAKE

It's Poly's Birthday Party

Just one year ago, car owners were given their first opportunity to try the new Phillips 66 Poly Gas... the extra-powered motor fuel resulting from the patented POLYmerization process.

During these twelve months your increased purchases have pushed Phillips gasoline sales to an all-time peak in the company's history.

It has been an exciting, dramatic year. A year filled with the problem—not of how to find purchasers, but of how to meet the constantly growing demand for this new kind of gasoline.

More and more motorists were finding out that there is a difference in gasoline, a difference which they could actually feel in their engines. They were discover-

ing the extra value given by a gas 100% custom-tailored... a gas enriched with added energy units by the scientific Poly process... a gas offered by the world's largest producer of natural high-test gasoline.

Gains in sales followed on top of previous gains. The figures skyrocketed in a way never before seen in the industry. All this is tremendously important to you, because obviously "It takes a great gasoline to grow like that!"

Deeply grateful to the millions of experienced drivers whose purchases of Phillips 66 Poly Gas made possible this record-breaking year of achievement, we invite you to try a tankful of this amazing new gasoline.

Fire Prevention Week Help Stop Fire Losses

As the winter season approaches, the hazard of fire increases materially, and the importance of care and caution along this line cannot be stressed too greatly. Examine the gas tubing, the stoves and the flues, don't let papers, oily dust clothes and rubbish accumulate about the house. Don't neglect the electric wiring, don't go away from home leaving an electric iron or an open stove burning. A little common sense and care expended now in fire prevention may pay you big dividends in the future.

County, State Taxes Begin to Be Paid Here

Last Thursday was the first day for making payment of the 1936 taxes in Randall county. Many tax payers made payments of their taxes on the first day, while others are visiting the office of R. N. Barnett daily. While most of the early payments are made for the full amount, large property owners are taking advantage of the split payment plan. Under the split payment plan, one-half of the taxes may be paid on or before Nov. 30, and the second half on or before June 30, 1937.

The Comptroller approved the rolls of Randall county without corrections. Randall was the 29th county of the 254 counties in Texas to have the 1936 tax rolls approved in Austin.

69 New Books Are Added to Library Shelves This Week

Sixty-nine new books were added to the Randall County Public Library this week. More than 100 new books were ordered last week, and the first shipment came Monday to be placed on the shelves.

The library now has 3,820 books catalogued, according to the record of Mrs. S. D. Burton, librarian. 493 new books have been added to the library this year. This number will be increased to approximately 600 new volumes before the end of the year.

CCC ENROLLMENT ON

Young men 17 to 28 years of age may enroll in CCC until next Tuesday, Oct. 13th. Applications may be made at the County Welfare Office.

Miss Margaret Strain of Canadian spent the week end at the home of her father, H. S. Strain.

Record Acreage

(Continued from first page) tainly be started under the most advantageous conditions," stated Commissioner W. E. Bennett, Monday as he told how rapidly the crop was being planted in his precinct.

The volunteer wheat which came up thick after the rains last month has caused a considerable problem in planting the seed wheat. Most of the farmers are killing out the volunteer growth before seeding. Some farmers, who are short on pasture, are leaving some of the volunteer wheat for winter pasture.

Advertising Plan

(Continued from page one) have these signs in place during the coming week. He will furnish the visitors a printed guide in order that they may more fully appreciate the interesting spots in the Park.

Mr. Taylor stated yesterday that all of the cabins at Cow Camp had been completely furnished with everything necessary to make the overnight visitor or guests by the month or week comfortable in every respect. Everything is provided but the food, with no additional price in cabin rental or gate fee.

Dr. A. M. Harding, lyceum lecturer at the College Tuesday evening, was a guest of Mr. Taylor and Wm. M. Anderson at the Park yesterday. He was very enthusiastic of the wonders seen in the beautiful Palo Duro Canyon State Park.

Mr. Taylor represents L. C. Eastland, who has formed the Park Corporation and who made the lease with the Parks Board.

"I am here to work with the people of Canyon in building up a patronage for the Palo Duro, since this increased patronage will mean much to Canyon," stated Mr. Taylor.

Miss Dorothy Strain is in Dallas attending school this year. She is living at the home of her aunt in Dallas.

OLD CLOTHES MATINEE WILL BE HELD FRIDAY

The annual Old Clothes Matinee of the Olympic Theatre will be held Friday afternoon.

Admission to the theatre for this matinee will be any old clothing or shoes. The clothing will be turned over to the welfare committee of the city to be used during the winter for families in Canyon who are in need of articles of clothing.

However, after smashing the Ram aerial assault Friday night,

the Buffs are not particularly worried about this threat of the game.

Coaches Baggett, May and Cox have put the Buffs through hard dummy practices of blocking and tackling this week, and hope to have ironed out some of the weak points which were uncovered in the last game.

A number of college fans are preparing to follow the Buffs on the trip Saturday, believing that this will be one of the best games of the season.

Tierra Blanca Dam

(Continued from first page) sible to furnish men to make the preliminary survey and tests which will be necessary for such a structure.

Without an accurate survey, it was thought Thursday that the dam would probably be a little more than a quarter mile long, and could be approximately 150 feet high. Such a dam would form a lake covering approximately 25 sections, was the opinion of those who have thought the matter over since the mass meeting last week.

Expect WPA Answer

It is expected that WPA will be able to give an answer on the project this week. If favorable, it is likely that the preliminary survey could be started during the coming month. If WPA cannot participate, it is then planned to raise money in some other manner for the preliminary expense.

The Tierra Blanca has its source near House, New Mexico, and with flood water coming from a large section of country, it is believed that this stream qualifies under the movement for flood control.

Following the enthusiastic meeting of last week on this project, many citizens have volunteered to do everything in their power to put over this project. They believe that it will not only be a great opportunity for flood control, but will make a recreation park much more attractive than any to be found in West Texas.

Fire Prevention

(Continued from first page)

possible, and have their alleys cleaned up.

Common Causes of Fires

Most fires are caused by carelessness and could be prevented. Practically every investigation following a serious fire reveals carelessness on the part of the property owner.

Grass allowed to grow against a wooden structure may be the cause of a fire. Ashes piled too close to a building is another. Any trash allowed to accumulate against a building, or in a building is another cause.

In the home, very often worn out garments are often too near a chimney, or piled in the attic where they create a fire hazard. Electric wiring often becomes defective and causes a fire.

A very common cause of fire is the explosion of gasoline used in cleaning garments.

Every gas connection and vent should be carefully inspected before winter. Rubber hose connections soon rot out, and may be the cause of an expensive fire. At Waco this week a leak in the gas main caused an explosion and fire in the heart of the business district.

Good Fire Equipment

Canyon has a good fire department. The men serving on the department give their time to protect the property of the city. The city has good equipment, and an adequate water supply, but this equipment will not prevent fires if the citizens do not remove the hazards.

During the week city officials trust that each and every citizen will make a careful inspection of his property to eliminate all of the hazards.

JEFFERSONIAN DEMOCRATS

OFFER PROOF OF ANTI-NEW DEAL CHARGES

We recently made charges in this paper that Mr. Roosevelt and his administration were not Democrats, and had no claim to Democratic loyalty. We charged that continuation of his administration would undermine the economy of the nation, and threaten its institutions. We charged that he had opened the sluice-gates of the federal treasury, and through Boss Farley, had tampered with the nation. We charged that he had surrounded himself with radicals, and had more nearly discharged their radical platforms than his own. We are offering the proof of our charges through our paper, the Jeffersonian Democrat.

We reassert that we are regular Democrats. We would prefer to vote the regular ticket. But we refuse to put party loyalty above our loyalty to America. In scratching Roosevelt we violate no party pledge, for the primary ballot contained a pledge to vote for the nominees of that primary. Mr. Roosevelt's name was not on that ballot. Furthermore, the Texas law instructs the voter how to cast a mixed ballot, and the Supreme Court has upheld that right.

We ask all true Democrats to weigh the proof before voting for a continuation of government by irresponsible radicals. Unlike the New Deal we have no ready made organization to spread our propaganda and raise money for our campaign. We will appreciate your support and whatever donations you can make us.

Write us for copies of The Jeffersonian Democrat, and help us distribute it throughout your community.

J. EVETT'S HALEY, Chairman. Jeffersonian Democrats of Texas, Austin, Texas.
